

# MEDICAL INCIDENT SUPPORT TEAM {M-IST} COURSE

HOSTED ANNUALLY BY THE TEXAS EMTF  
STATE COORDINATING OFFICE

A VITAL COMPONENT OF THE TEXAS EMERGENCY MEDICAL TASK FORCE  
AND THE TEXAS DISASTER MEDICAL SYSTEM

**SPRING 2015**

**CLASS DATES: APRIL 29 & 30**

**LOCATION TBA**

The Medical Incident Support Team (M-IST) course is designed to train acute healthcare leadership to provide support to local jurisdictions, healthcare facilities and local health care infrastructure during disasters across the state of Texas. M-IST personnel deploy to impacted EOCs, Medical Operations Centers, and DDCs to provide integrated ESF-8 support to authorities, government agencies, hospitals, and state response partners during events or incidents.
