

FUSION: STEMI USA 2015 will present state-of-the-art lectures, debates, workshops, and other interactive sessions, intended for a multidisciplinary audience, in order to provide a leading edge learning environment designed to deepen your understanding of the diagnosis and treatment of acute coronary syndromes, stroke, and cardiac arrest care. The meeting will promote productive interdisciplinary and inter-facility cooperation leading to improvements in care.

EXPERIENCE DALLAS As the ninth-largest city and part of the fourth-largest metropolitan area in the nation, Dallas attracts worldwide travelers, making the area the No. 1 visitor and leisure destination in Texas. • Throughout the city, a visitor will enjoy the best shopping in the southwest, four-and five-diamond/star hotels and restaurants, the largest urban arts district in the nation, 14 entertainment districts and much more. Blend in moderate weather, year-round sports and true Southern hospitality for a true "taste" of the Dallas difference. Visitors are exposed to a city of success... where optimism meets opportunity.
